PLEASE OBSERVE THESE GUIDELINES WHEN PLACING BULK WASTE NEAR THE ROAD ON THE RIGHT-OF-WAY

1. Do not put bulk waste in the roadway, as this would create a traffic hazard.
2. Do not block gutters or any portion of the County drainage system.
3. Do not place bulk waste around fire hydrants, signposts, guide wires, power poles, over water meters over masonry work, or against fences.
4. Do not place bulk waste under any low hanging power lines, phone lines, television cables, low tree limbs, or near mailboxes.
5. Burning is not allowed on any County right-of-way. Geneva County Solid Waste will not pick up any burn debris.
